—Mr. Randall Williams is making some extensive repairs and improvements to his business property on West Milwaukee street, especially to the rear of his buildings.

—Owing to a small attendance at the annual meeting of the honorary members of the guards last evening, it was adjourned until Saturday evening at eight o'clock, when all are requested to be present.

—The Janesville Grange hall was well filled last evening by dancers who thoroughly enjoyed the affair. The Janesville Grange dances are very popular among the people in this vicinity, and they are sure to be well attended.

—Mr. Harold F. Sayles, the singing evangelist, will address the young men at the Baptist church this evening at half past seven o'clock. Mr. Sayles is a young man who will interest as well as instruct. Young men and all others are cordially invited.

—North River street is receiving the attention of the street repairs—a dressing of gravel and clay is being put on the road bed—an improvement which has long been delayed, and one which will be highly appreciated by people traveling that way.

—The bricklayers are at work on the third story walls of Herman Behrholz's new carriage factory. The contractors, Messrs. Coling & Wray, and Mr. James Shearer, are rushing the building as fast as good work will permit, and with good weather the building will be enclosed in the course of the next few days.

—One of our amateur baseball players is being complimented by his friends on the way in which he helped save the game at Oaklawn yesterday. Those who saw him when he captured a stray foul and forced it back to the catcher say that he should have received a mention in the city papers. It was probably omitted on account of jealousy.

—The Gall Comedy company starts out some time next month to make a tour of the country. It is composed of amateurs from this city. There is no doubt however that the young people connected with the enterprise are capable of bringing out their new absurdity, "Gall" in very good style and they should meet with success.

—Who says that the duck season hasn't opened. Yesterday Sheriff Rathbun and Henry Blunk went gunning in the town of Fulton and they say that the ponds were fairly black with ducks. They had the misfortune to disable their gun just as the sport was best and so missed a great many chances, but they returned with fourteen teal and three mallards. That ought to be enough for one afternoon.

—The benefit dance given at the Rialto armory last evening in aid of Mrs. Richard Brooks, was attended by a very large number of young people, and many purchased tickets who did not attend. The benefit was a grand success and must have netted Mrs. Brooks a very handsome sum. The dance passed off pleasantly, and was kept up until two o'clock this morning. Anderson's orchestra furnished the music.

—The highway, street and bridge committee, consisting of Aldermen Croft, McLean, Pathe, Judd and George, will hold a meeting at the council chamber this evening for the purpose of considering the proposition to build a street railway in this city. It appears to be the general opinion of our people that the car company should be granted all favors within the charter, and there is scarcely a doubt but that the committee will act favorably towards the gentlemen making the proposition.

—Captain Wm. Macdonald has completed a new dwelling house on his lots on South Jackson street, near the fourth ward park, and has also given his property on Lincoln street, near the fourth ward school house, a thorough overhauling and repairing, making the building as good if not better than new. These improvements have necessitated the outlay of considerable money, but is only in keeping with the enterprise of the owner.

—Mr. and Mrs. Shurtliff, of West Milwaukee street, are recognized in many homes in the city as efficient and superior caterers. This fact should indicate that their restaurant is in keeping with their reputation. A half hour spent at their table between twelve and one o'clock any day will convince the most fastidious that their knowledge of the culinary art is not confined to private parties. If you want a first class dinner any day in the week call at Shurtliff's.

—The first special delivery stamp purchased at the Janesville postoffice was sold yesterday to Miss Louise Peterson, she placing it under a letter addressed to her uncle, Hon. Levi Alden, of Madison, this being the first special delivery letter sent out from this office. Only two letters were received at the Janesville office yesterday bearing the special delivery stamp, both being from Milwaukee.

The first received was directed to Mrs. Dr. J. J. Barrows, and the second to John M. Knott.

—The Janesville high school now boasts of a full fledged athletic association the only lack being a name. The society

officers are President, Andrew Pond vice president, John Grosebeck, secretary, Harry Carle; treasurer, Lyman D. Pichard. A constitution and bylaws are now being drafted and soon these very necessary parts of all well regulated societies will be in running order. The girls are also making moves to be recognized in pyrotechnic circles and it is said that the next commencement day exercises will be enlivened by the sight of sweet girl graduates swinging their robes and blue Indian cloths to music.

—The New York News: "Mr. Dan Sully has made the biggest kind of a hit in his play, the Corner Grocery, at Tony Pastor's theatre. The best evidence of the hit is the fact that hundreds of persons were turned away from the doors of the theatre every evening last week. Those who were so fortunate as to get in screamed with delight during the two hours and a half which it took to show the doings of the boy and the tribulations of his father, Michael Nolan (Mr. Dan Sully). The play will probably run all summer." At the opera house this evening, Reserved seats at Prentice & Evenson's, opposite the post office.

Municipal Court.

This morning George Wilson was brought before the court to be sentenced. He committed an assault with intent to kill, on Daniel Abbot, of Lima, some time ago, shooting a bullet through the top of his hat. He had just been released from State prison and returned to the county in order to have revenge on Abbot, by whose testimony he was convicted of horse stealing. The desire for revenge was not gratified and this morning Justice Patton sent him back to Waupun for three years more. The sheriff will probably take him there to-morrow. The case of the state against Green is now in court. This case which concerns the obstruction of public parks at Milton and arose in the following way: The railroad tracks in that village run directly through the park and the company gave Green a permit to erect lumber sheds on land adjoining the track. Ezra Goodrich claimed that the sheds overreached the railroad land and so made complaint. It will take several days for a decision to be reached.

—Mr. John Broderick is spending a few days in Brodhead.

—Ald. T. T. Croft will witness the great ball game in Chicago to-morrow afternoon.

—W. G. Wheeler, clerk of the circuit court, starts to-morrow morning for Topeka, Kansas, where he will visit for a short time with his sister, Mrs. A. C. Dow. He will spend Sunday with friends in Chicago.

—Mr. and Mrs. A. P. Bennett returned from the east last evening. They spent considerable time at Saratoga and the Adirondacks, and report a pleasant summer. Judge Bennett, of Jefferson county, New York, returned with them and will remain for some months.

—The Weather.

At seven o'clock this morning the thermometer indicated 59 degrees above zero. Cloudy with northeast wind. At one o'clock p. m. the register was 78 degrees above zero. Partly cloudy with northeast wind. For the corresponding hours one year ago the register was 64 and 85 degrees above zero.

—George Williams in Jail.

The officers have been on the lookout for George Williams, who cut Mr. Oram with a knife Saturday night, and he has been kept locked up. Marshall Hogan, of Janesville, had been notified to watch for him as he would probably be in that city soon, and yesterday afternoon Hogan found him on a retired street of the city and placed him in custody, and notified Marshal North. The latter received the information of the arrest just in time to jump on the 4:05 train and went to Janesville, secured the prisoner and brought him to Beloit about seven o'clock. Williams was taken before Justice Kellogg, and arraigned on a charge of "assault with a deadly weapon, with intent to kill." Williams waived examination, and was remanded for trial in the municipal court on October 13th, and his bail was fixed at \$1,000, which he was unable to secure last night, and was sent to the county jail to await trial.

Williams has shaved his mustache and otherwise disguised his appearance, and would hardly have been recognized by those who were acquainted with him. He has hardly been sober since then. He was committed, and was under the influence of liquor when arrested.—Beloit Free Press, of Thursday.

NATHANIAL.

HYPER-LAPPIN.

The spacious home of Mr. and Mrs. Thomas Lappin, corner of South First and Wisconsin streets was the scene of a most brilliant assemblage last evening, responding to special invitations to witness the marriage of their youngest daughter, Mrs. Harriet M. Lappin and Mr. Edward M. Hyzer. About one hundred and twenty-five ladies and gentlemen responded, and when assembled it was one of the most brilliant and pleasant gatherings witnessed in this city in many days. The ceremony took place at 8 o'clock, at which time the happy bride accompanied by the groom took a position beneath a beautiful floral arch composed of white dahlias, which was placed in the back parlor; between the large folding doors separating the parlors was suspended the floral bed of red dahlias with a tangle of marigolds. The rooms were tastefully ornamented with floral designs, and with the smiling faces of the friends there gathered, and amid the beautiful surroundings, the betrothed couple could hardly be less than happy. The Rev. C. M. Folger, of the Christ Episcopal church, officiated, and read the beautiful and impressive ceremony of that church, pronouncing Mr. Edward M. Hyzer and Miss Harriet M. Lappin husband and wife. The congratulations of friends were the most hearty and cordial. The wedding feast followed, which was of the best, and there was genuine merriment at the home of Uncle Tom Lappin. The wedding presents were many, of the richest and most beautiful, testifying in no small degree the esteem of their many friends.

Mr. and Mrs. Hyzer have spent their young life in the Bowler City, the former, although quite a young man, occupies a leading position as an attorney in this city; twice has been elected city attorney here, and is at present the junior member of the law firm of Williams & Hyzer.

The bride is a native of the Bowler City, here she has grown into noble womanhood, possessing three excellent qualities and disposition which have endeared her to so many warm friends, who, while regretting to lose Miss Harriet Lappin are more than content to welcome her to Mrs. E. M. Hyzer.

Mr. and Mrs. Hyzer went to Milton last evening to meet the midnight train for Milwaukee, and will return home on Saturday evening, making their home for the present with the bride's parents.
